Part D – Solemn Statement

As contact person of , I commit myself to the rules of the program “Business ethics Model – RME Model Validation” as of today. The RME Model Validation refers to the findings of the assessment date, assuming that the same situation applies until the certification date. Regarding the period up to next (higher or maintenance) application date EBEN may stop promoting my organization as a good example regarding the assessment, if formal information suggests otherwise. Only after successful discussion between the organization & EBEN President, we may continue to the next or the maintenance level. EBEN retains the right to reject applications that do not observe ethical practices.
